

**FRIDAY UPDATES**  
**November 9, 2018**

**CHILD CARE IS AVAILABLE** once again on Sunday mornings. If you have youngsters who need to be supervised and engaged in some structured activity at the beginning of the church service, please take them to the second floor, over the parish hall. They may be retrieved, or they will be brought down, at communion time.

**NOTICE FROM SANDIA SOMMER, ASSISTANT TREASURER:**

The Q3 Donation Statements have been emailed to those for whom we have an email address in Church Windows. The printed ones are in the Statement box on the ministry table for pickup. There are a handful of statements on which, for some unknown reason, the 2006 pledge is printing. I haven't figured out why that is happening or how to get rid of it yet. So, for those folks who receive such a statement, simply subtract the 2006 totals from the bottom line total on your statement, and cross out the 2006 line on your statement.

The quarterly statements are simply provided for the purpose of informing folks where they are in terms of fulfilling their pledges for the year, and letting them know what they still need to do to meet their pledge for the year. Since these statements were printed a month later, in addition to the quarterly totals, they actually show the donations through the most recent giving date.

If we do not have your email in the system and you would like to receive the statements by email, please let us know. Conversely, if you are receiving the statements by email and you would prefer a printed statement, also let us know.

**THANK YOU ALL FOR YOUR DONATIONS** coming in to the Bazaar. The **Tombola** collection was looking much brighter. **Bake Table** items were coming in. The tables were looking pretty good by noon Thursday, but there is room for more. **Thanks Dennis and Cliff for help setting up the tables Thursday morning.** Annie, Hazel, Mary, Becky, and I were displaying craft items, counting jars and lids, doing some last minute pricing, and the antiques and collectibles were coming out for display and pricing in the afternoon.

**FRIDAY MORNING WORK** is the pie making, and soup preparations. There are potatoes to peel (with helpful appliances), and vegetables to chop. There are tables to decorate, and many last minute chores to accomplish. **Bake Table** items should be brought in Friday, but by all means *early* Saturday morning if you cannot get them in before. Remember to list the ingredients, especially nuts, and please price your items if you can. You know the costs of making your items better than we.

**8:00 SATURDAY MORNING** we need sandwich makers, pies cut and plated, coffee pots set up, tea made, tables set with salt and peppers, crackers, flatware and napkins in the ready; then around 10:30 to 11:00, early shoppers will want to buy quarts of soup and some will want to be served lunch. Table bussers and dish washers will be needed. The **All Church Bazaar** needs the help of all church members.

**PRAYERS** – Heavenly Father, we thank you for our blessings, and for the opportunity to work together toward providing a means to raise funds for our church outreach in the community; for the ability to provide for the needs of St. Luke's, and to share fellowship and food with the people of our community as they come to support our efforts. We pray this in the name of Jesus Christ. *Amen.*
